About Us

Donut Delights was started in 1971 by Melvin Furbalski.

In 1970 he landed in New York City and by chance he found an open seat on a bus heading west. When an unexpected mechanical failure forced a three day delay in Champaign, Illinois, Furbalski decided to stay and with only one hundred dollars to his name, he transformed an abandoned bread shop into C-U's finest breakfast and coffee shop!

Menu
